Solicitor Fishman advised that the Board of Supervisors and the Township Staff, together with the Engineer and Solicitor have been reviewing the Zoning Ordinance over the past 6 months in an effort to make the ordinance more “user friendly” and assuring that the Township continues to maintain its rural uses and character. No change to the Official Zoning Map has been proposed.

The Commission unanimously approved the draft Zoning Ordinance as presented and sent it on to the Board of Supervisors to conduct a public hearing and take further action as the Board deems appropriate.
